D. P. Swindle, Assistant Director For Logistics, DC

Question 1. By what virture or authority aid ABC move into Eni:retok at the tire we ( $A D S$ ) went into testing there?

Answer: On July 18, 1947, (2.0. 9785) the military government at Eniwetok and Bikini vas transferee to DOD for administration by the davy. E.O. 970 's was revoked on June 29, 1951, and jurisdiction ties transferred io the Department of Interior effective July 1, 1951, by E.O. 10265.

ABC apparently bern the Bikini testing in 19\%6 una authority of the military government then in charge. The Eniwe apparently began under DOD jurisdiction (Navy Administration) in 1947 or 1948 .

Question 2. What were the conditions of transfer of Eniwetok to homer AEC's successor res?

Answer: On July l, 1955, the AEC and the DOD were testing on Eniwetok under a written permit iron the Department of Interior to DOD (AEC and Interior agreed to execute no formal occuinney agreementi). On December 23, 1955, an Interagency land asmeeneni between the Department of Interior and Davy gave ABC official occupancy rights but did not specify ATC rights and duties. Therefore, on Jura 30, 1960, a contract vas entered between AEC and DOD by winch Eniwetok vas transferred to the limes. Under texas of this agreement, Navy accepted all property interests of ASC ; the Mary was to dispose of its property loaned to AEC ; ABC agreed to provide periodic Red-sate surreys at liars expense (the ivory ray have contracted with the Ail prime contractor, Wolves ana Haver, for this mors). There is no mention OI clean-up responsibility, but Thar's responsibility for contamination survey indicates its racponioility to s clann-up

 sue proulcon wotinolvod in at Bikini (clean-wo?

CONTEND TO EL UNCLASSIFIED
AUTHORITY: DOE/SA-20

Answer: In e above history of Bikini and Enimotoi diicates fie c had fer, if anjou, contractual obliçations to perform clean-tip at its own expenses and no public pressures rinich would compel it to do so. Today the contract terms would determine whether or not AEC would Prom recent situations such as Weldon Spring raffinate pits ana Lake Ontario Orảnance Works that AEC would be responsible for taking action to periorm cleen-up if AEC had been a principal contributor to or cause of the contamination, absent any contractual trans er of this responsibility to a licensee or other Federal agency.
