Dear Captain Russell:

The Atomic Energy Commission requests your concurrence and support for a proposed radiological survey of Bikini Atoll and a survey of Rongerik Atoll, sponsored by the Division of Biology and Medicine.

The survey would be under the direction of Dr. E. E. Snodgrass, a working representative and observer for the Division of Biology and Medicine at Operation Seabird.

The survey would be scheduled for the summer months of 1949. Working scientists from the School of Applied Fisheries, University of Washington, Seattle, Washington, who would meet Dr. Snodgrass at Rongerik following the test. The survey party would require...
