Dr. John C. Bugher
Director
Division of Biology and Medicine
U. S. Atomic Energy Commission
Washington 25, D. C.

Dear Doctor Bugher:

Attached hereto is a lengthy communication, which was received by Congressman Van Zandt, from Dr. Walter K. Frankel. I note reference is made in the letter to previous correspondence with various people in the Commission so I am sure you are familiar with the questions which Dr. Frankel raises.

Would you be kind enough to prepare for us a suggested reply to Dr. Frankel, consisting of not more than three or four paragraphs? We would also appreciate your returning Dr. Frankel's letter to us.

Sincerely yours,

Corbin Allardice
Executive Director
