Dear Art:

Again I must fail you in your kind invitation to visit the University of Wisconsin and to give a lecture. I had hoped that a way would be found for a trip during May, but this now appears impossible.

Our busiest season is upon us. In addition to the usual business, the Eniwetok station, which is rapidly becoming a reality, is demanding immediate attention. Also, trips both north and south will be made this week and next.

Unfortunately I shall be away at the time you will be in Washington. However, I'll leave my Hawaiian slides with Ruth Rue for you.

My sincere regrets that I cannot make the trip to Madison.

Cordially,

Karl M. Wilbur  
Physiologist, Biology Branch  
Division of Biology and Medicine
