Dear _____: I wish you to know the deep sorrow and regret felt by the Government and the people of the United States and personally by me over the death of your husband. There are no words of mine which can assuage your grief. While no sum of money can compensate for your loss, it is the desire of the Government of the United States that something be done to make life easier for you and your children in the future. I am therefore enclosing a check for yen one million payable to you as a token of the deep sympathy of the American people. Sincerely yours, John M. Allison.
