Dear Mr. Ramsey:

This is to thank you, on behalf of Secretary Udall, for your letter of August 21 extending the cooperation of the Atomic Energy Commission in the development of a resettlement plan for the Bikini people.

We note your designation of Major General E. B. Giller to coordinate the AEC participation in this effort, and we will be in touch with him later following completion of the preliminary survey of Bikini which is now under way.

Sincerely yours,

(Sgd.) Harry R. Anderson
