Office Memorandum UNITED STATES GOVERNMENT

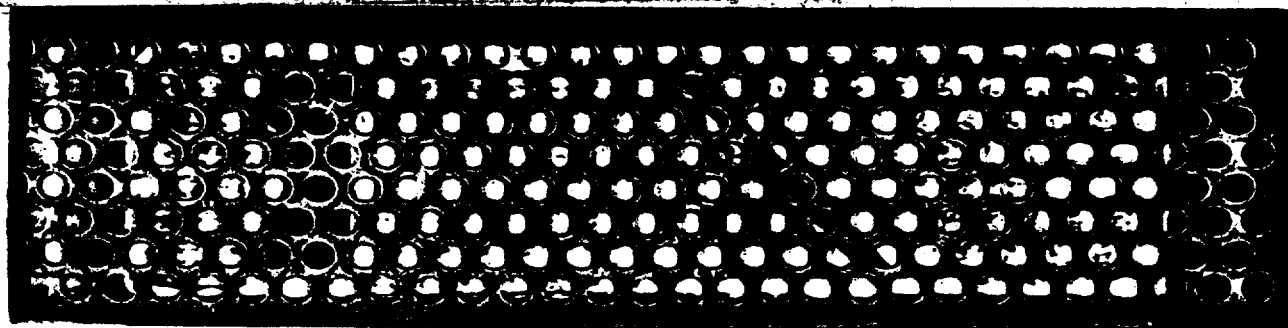

TO : Mr. Derry

FROM : A. Gilliam

SUBJECT:

Dr. Warren called and gave the following information: The names of the men are Ralph Firmisnac, M.S. in Chemistry (an instrument man); Forest Morgan, Ph.D. Physics; John Roberson, Ph.D. Physics. These three men are in the section headed by Dr. K. E. Morgan, Clinton Laboratory. Each will take complete equipment and accessories with them to Bikini. You are to request their release from Monsanto and they are to be put on Donaldson's payroll.
