REFER TO
SYMBOL: W-7

In reply to your letter of August 24 it is my impression that many of the reports have not yet been published. I would suggest that when you have occasion to make inquiry you use the usual channels.

As regards your planning for the future tests I believe Dr. LeRoy can probably provide you with such specific background information as would be required. This might be helpful in addition to the reference to the work at the California Institute of Technology sent you by Dr. Pearson.

DISTRIBUTION:

- Cys. #1 & #2 - Addressee
- Cy. #3 - Director's Reading File
- Cy. #4 - Subject File
- Cy. #5 - Index File
- Cy. #6 - Reading File
