Subject: FUTURE TESTS

Ref: 3D-156, A. ~~S.~~ Graves, Los Alamos

A biological and medical research program for future atomic weapons tests has been prepared from the proposals submitted by representatives of the National Military Establishment and the Atomic Energy Commission. This program has been approved by the Joint Proof Test Committee of the Joint Chiefs of Staff and by the Division of Biology and Medicine. A copy of the program is attached.

Dr. George W. LeRoy has been appointed Biomedical Project Director on the staff of Dr. Alvin ~~S.~~ Graves, J-Division Leader, the Scientific Director. It is anticipated that in the course of this work Dr. LeRoy will request the cooperation of the various biological and medical facilities.

This is to inform you that Dr. LeRoy is authorized to conduct such negotiations as are necessary for the proper execution of the program. It is requested that you extend to him such assistance as may be required.
