Transmitted herewith is one copy of report No. UWFL-18 entitled
 "Radiological Analysis of Biological Samples Collected at Eniwetok
 May 16, 1948."

This report covers work performed by Dr. Lauren R. Donaldson and
 staff during the expedition to Eniwetok last summer.

Because of the nature of the material covered, one copy of this re-
 port has been transmitted to Dr. Daniel J. Pflaum, Division of Re-
 search, and he has been asked to provide the Hanford Operations
 Office with a special distribution list appropriate for further
 dissemination of this information.

As indicated in our memorandum to Dr. Pflaum, Dr. Donaldson has asked
 that Captain James S. Russell, U.S.N., Military Application Division
 of the Commission in Washington be given an opportunity to read this
 report.
