Transmitted herewith is one copy of report No. UNFL-18 entitled
"Radiological Analysis of Biological Samples Collected at Eniwetok
May 16, 1948."

This report covers work performed by Dr. Lauren R. Donaldson and
staff during the expedition to Eniwetok last summer.

Because of the nature of the material covered, one copy of this re-
port has been transmitted to Dr. Daniel J. Pflaum, Division of Re-
search, and he has been asked to provide the Hanford Operations
Office with a special distribution list appropriate for further
dissemination of this information.

As indicated in our memorandum to Dr. Pflaum, Dr. Donaldson has asked
that Captain James S. Russell, U.S.N., Military Application Division
of the Commission in Washington be given an opportunity to read this
report.
