Transmitted herewith is one copy of report No. UWFL-16 entitled
"Bikini Radiobiological Resurvey of 1948," from the University of
Washington Applied Fisheries Laboratory.

It is understood from Dr. Donaldson that this report covers only the
Bikini phase of the expedition and that an additional report on Eni-
wetok data will be transmitted as soon as possible at a later date.

One additional copy of this report was transmitted directly to Dr.
Shields Warren by Dr. Donaldson, and another copy has been sent to
Dr. Daniel Pflaum for a decision on the distribution to be given this
report.
