4 August 1949

Dr. George V. LeRoy
Veterans Administration Hospital
Hines, Illinois

Dear George:

We will be very glad to see Commander Richard H. Lee,
Lieutenant Commander Chambers, and also Dr. Herbert Pearce
and to discuss with them the study of flash burns proposed
for the bio-medical program.

Since I will be away from Los Alamos from August 8th until,
perhaps, ten days later, I have turned this letter over to
Wright Langham, asking that he make the arrangements.

Sincerely,

Original signed by
