Office Memorandum • UNITED STATES GOVERNMENT

TO : James E. Jensen

DATE: June 29, 1949

FROM : John Z. Bowers

SUBJECT: TELEPHONE CONVERSATION WITH OLIVER TOWNSEND

Oliver Townsend called from PTI. Dr. Donaldson would like to issue a statement for the newspapers before leaving for Bikini. Since it is my recollection that he did this last year I could find no objection to it.

Dr. Donaldson also wanted to know if he could send back reports from Bikini to the newspapers as they were most anxious for him to do this. I suggested that this would be a very difficult procedure and advised that he not do it.
