Dear Dr. Donaldson:

Colonel Stafford Warren and several of us would like very much to go over with you some of the points raised by the Bikini resurvey as reported to Dr. Stafford Warren by you. Can you arrange to come to Washington? The expense for the travel involved is a legitimate charge against your contract.

I was very much interested in several of the things that Dr. Jensen brought back and I would like also to talk some of these matters over with you.

Sincerely yours,

Shields Warren, M. D.
