TWO PAPERS PREPARED BY DR. L. B. LEACHMAN

During the meeting of the Task Group in April, Bob Leachman asked for comments on two papers he had prepared. Later he stated he was revising one of them and requested that any distribution be delayed until a new version was available. These papers are provided for your information and any comments you may wish to make.

*Dr Foster: I got comments from Mrs Graham, Goldman
Bran and Stanley to send to Joe Leach & McCraw
on this paper, i.e., the "Possible Degrees..."
paper. You might like a copy of the revised
draft which differs somewhat from that first
given you. Bill Schroebel*
