Dear Roger:

Just a brief note to inform you that as of October 25, 1978, Micronesian Legal Services Corporation represents the People Of Utirik with regard to the exposure of their atoll to thermonuclear radiation on March 1, 1954. Therefore, I wish to express my interest in being kept informed of any developments within the Department of Energy in so much as they concern the People of Utirik as well as the People of Rongelap.

Thank you for your continued cooperation.

Yours truly,

Robert L. Keogh R. F.
