TO (Name and unit)  Dr. W. Weyzen BER	INITIALS	REMARKS Walt, here are the only two bills providing compensation to Marshall Islanders. Interior is preparing a supplemental this year for an additional \$600,000 because of additional cases of thyroid problems. In addition, as you know ERDA gave the people of Utirik \$37,000 as an inconvenience payment for having to be examined each year. This came to about \$100 per person.
