Dear Oscar, *The following messages are relayed at the request of  
Bob Dr. Conard, Brookhaven National Laboratory.*

Enclosed is a much delayed letter to the people of Utirik in answer to their request from me for information about Dr. Knudsen's replacement. In view of the difficulty of getting mail to Utirik would you mind relaying the letter by radio? If you agree with what I said about inviting Knud back perhaps you might be willing to state this to the people also. As you know Knud has expressed willingness to return to Utirik if asked to by the people.

Your help in this matter will be greatly appreciated. With regards,

Sincerely,

Robert A. Conard, M.D.
