To: Rust Deming
OES
Dept. of State
632-9338 (please call)

From: Mr B. McFadden
DOE/ONA
Forrestal 7g-064
252-6177

Attached is the letter I discussed with you by phone today. As I mentioned, IAEA has replied asking for more information. IAEA provided Gabbert with copy of this letter inquiring informally whether DOE had any comments. Gabbert, when giving me this copy, said any comments ~~would be appreciated~~ should be provided ASAP.

As agreed by phone, I shall not call Tom about this but assume you will do so if you consider a call appropriate.
