Dear Bill,

Enclosed is a brief trip report of our March-April survey.

As Jim Miller no doubt told you, in view of Dr. Knudsen's probable change in position and return to BNL, we are having to reconsider future plans. As I told you last month I would not be able to make the LCU meeting. However, I gave Jim the dates of our proposed trips. These are: 1) June 15-July 8, 1977; 2) Sept. 7-Sept. 30, 1977; 3) Nov. 30-Dec. 22, 1977; 4) March 17- Apr. 3, 1978; 5) June 15- July 8, 1978. I will keep in touch with you about developments.

Sincerely,

Robert A. Conard, M.D.
