Dear Mr. Bonnet:

This is a follow up letter outlining many of the things that we talked about on the phone with Bill Streenan the other day. The following are arrival times Honolulu and hotel requests:

	<u>Arr. Hono.</u>	<u>Waikiki Hotel</u>
William Scott	March 1 from N.Y.	March 1, 2, 3
Douglas Clareus	March 1 from N.Y.	March 1, 2, 3
Douglas Humphreys	March 1 from N.Y.	March 1 - 7
Robert Conard	March 6 from Kauai	March 6, 7
Brown Dobyns	March 6 from Kauai	March 6, 7
Michael Makar	March 6 from Kauai	March 6, 7
Kanti Rai	March 6 from N.Y.	March 6, 7

Would you arrange for Bill Scott and Doug Clareus to have 100 pounds extra weight allowance.

Dobyns and I will go to Maui March 3, examine at Mrs. Thompson's at 9:00 a.m. March 4. We will then proceed to Kauai for March 5 and probably leave for Honolulu the afternoon of the 6th. I will leave from Kauai in the A.M. should you prefer the movie to be shot on Friday afternoon.

In regard to the movie shot at your AEC office, as I mentioned on the phone it would be appreciated if you could rent the following: 3 each 3200K medium beam, approximately 1000W, motion picture lights with stands for each; three each extension cords, should they be necessary. All of these lamps are for standard AC/DC current.

Enclosed is a copy of a letter to Bob Law. I have requested him to get if possible, to Majuro for us to check her thyroid. Will there be any per diem involved in this? I suppose we could go to Jaluit on the Hafa Adai to see her if necessary but hate to spend that extra time.

We will ship about 17 boxes February 3 or 4. Will send you a TWX as to flight info. We will also be shipping some film to you around the middle of February, which we would like for you to keep refrigerated for us. Looking forward to seeing you soon.

Sincerely,

*Bob*
