Dear Bill:

As you know, we are planning on bringing the two cancer cases, and to Cleveland for surgery the latter part of next month. No doubt, Bill Streenan has been in touch with you about this. If you can arrange a round-trip Mac ticket for them leaving June 23rd and United Airlines round-trip ticket to Cleveland, Flight 100, leaving at 10:45 P. M. on June 24th to Los Angeles, and leaving Los Angeles June 29th, 9:00 A. M. via United Flight 70 arriving in Cleveland 4:15 P. M., it would be appreciated. Please leave the return ticket open. They should be returning around July 1st or 2nd. Ezra Riklon has agreed to accompany the patients to Cleveland and please also get him the United ticket as outlined above. It will be appreciated if you would also help Ezra with transportation to meet the patients on their arrival, etc., and please check with Ezra about hotel reservations.

Dr. Knudsen plans on leaving here somewhere during the first to the middle of July to go via Saipan and Continental flights in the islands to Kwajalein. He will have his wife with him. They expect to arrive in Kwajalein around the 1st of August. I have written the CO and Frank Granich about this. We will furnish the plane ticket to Honolulu for Knudsen and will furnish you information later about obtaining his ticket to Saipan and return to Kwajalein.

Hope things are going well in Honolulu. With best regards,

Sincerely,

Robert A. Conard, M. D.
