MESSAGE:

Per your instructions, I purchased a prepaid round-trip ticket, on 3 March 1973 for _____, University of Guam student to come here for examination by Dr. Conard. I received a check in the mail yesterday from Continental Air Lines for \$167.00, payable to me. _____ made application to Continental for refund of return portion of Kwajalein-to-Guam. I can not credit your account locally. May I endorse the check "payable to Holmes and Narver" and sign my name or do you have some other way you wish to handle this? Please advise your wishes.
