I would like to thank you for arranging the transportation for my medical team and the Congressional group to Rongelap and Utirik.

The following are the times which we used the Robert DeBrum. (Trust Territory time is used).

- March 25 - arrived Kwaj in a.m.
- March 26 - ship departed for Rongelap
- March 27 - ship arrived Rongelap
- March 28 - ship released to Congressional Committee for their use. Departed for Utirik about 1400.
- April 1 - ship returned to Rongelap at 1400. Returned to our custody at this time.
- April 2 - Depart for Kwaj.
- April 3 - Arrive Kwaj 1100. Off-loading completed by 1300 at which time ship was released from our custody for Trust Territory use to an outer Island (Wotho).

I hope that this schedule will be helpful to you in arriving at the charter cost to the AEC.
