Dear Mr. Johnston:

Your letter dated February 6, 1973, concerning the payment of travel and per diem expenses of the Trust Territory personnel accompanying the AEC Medical Surveys, has been referred by Dr. Conard to this office for reply.

This letter will serve to reaffirm our understandings relative to the funding of the regular AEC sponsored Medical Surveys in the Marshall Islands.

- a. The AEC will fund and pay the costs of Dr. Conard and his associates participating in the Medical Surveys.
- b. The AEC will fund and pay for the travel and per diem costs of the Trust Territory personnel who are invited by Dr. Conard and approved by your office to participate in the surveys. As an example, in the forthcoming March 1973 survey the travel and per diem expenses of the following Trust Territory personnel are authorized, and the AEC will reimburse the Trust Territory for their travel and per diem costs. (Reference Dr. Conard's letter to you dated January 3, 1973).
