PLAN OF OPERATION FOR IVY

SYMBOL: BMBP:GMD

[REDACTED]

As a result of conferences with John Hall of AEC and Joseph Chase of the Department of State the following plan has been organized to provide Mr. Eisenbud with immediate notification in event specific requests are received through the Department of State channels for help in monitoring:

1. Joseph Chase and his staff have been alerted as to the possibility of such a request's being received.
2. Mr. Chase will immediately notify John Hall or, in his absence, one of the secretaries in Mr. Hall's office. They in turn will immediately telephone this Division (Dr. Walter Claus or Howard Brown).
3. This Division will then transmit such request by TWX to Merrill Eisenbud. The message should be addressed to Commander, Joint Task Force 132, Eniwetok, Attention Mr. Merrill Eisenbud. The TWX operator indicated that such a message could be delivered in one to two hours.
4. I would recommend that a copy of any such message be forwarded at the same time to either CINCPAC or myself at Pearl Harbor so there may be good liaison with CINCPAC since they hold the responsibility for a good part of the Pacific.
