Dear John:

Tom Shipman sent me a copy of his letter to you of 26 May 1953, and I note that we apparently are working somewhat at cross purposes with respect to Dick House's requirement for a medical man to be assigned to the Task Force during Operation Castle.

During his visit here this week Colonel House asked my opinion of Clint Maupin for such an assignment, and I informed him that I was quite happy with the job Clint has done at Nevada and felt that he would be extremely useful to the Task Force staff. I hope that any action you take on the basis of Tom's letter will consider this additional facet.

Sincerely,
