Dinner

It is suggested that, on one evening during the week of the meetings, the members of the Commission and Sub-Committees, together with the members of the Units Commission and Cancer Commission, should meet at an informal Dinner. Since all members of the three Commissions have meetings on Thursday, 16th July, 1953, this would appear to be the most appropriate day.

Professor J.C. Jacobsen, Honorary Chairman of I.C.R.P., has kindly offered to make the necessary arrangements for the Dinner and has asked to be informed of the number of participants. Will members, therefore, inform the Secretary of I.C.R.P. without delay as to whether they hope to attend or are unable to do so.

Secretary, I.C.R.P.,
