BEST COPY AVAILABLE

Dear Dr. Livermore:

In accordance with your request for the films listed in your letter of May 18, 1950 for use in the Reed College radiological monitoring course, I am asking Mr. Elton Lord of our Public and Technical Information Division, by copy of this letter, to send to you directly one print of each of the following films:

- Atomic Physics
- Atomic Power
- Atomic Medical Cases, Japan, World War II (listed in our letter as the Hiroshima Medical Cases)
- Film of Television Show on Nuclear Energy (Dr. Goodman, MIT)

The following films should be requested from the Hanford Operations Office:

- Operations Crossroads
- Tale of Two Cities
- A Primer on Monitoring (listed a second time in your letter as Radiation Monitoring)

Mr. Lord advises that the balance of the films are available on loan upon request to the sources as indicated below:

I trust that you will have no difficulty in obtaining the films from the non-AEC sources. Don't hesitate to contact us if we can be of any further assistance. It would be appreciated if you return the films from the Washington Office as soon as they have been shown in your course, as they are such in demand.

Yours sincerely,

Ward Miller, Jr.
Assistant to Chief
Civil Defense Liaison Branch
Division of Biology and Medicine
