Dr. J. B. H. Auper
Chairman, Instrumentation and Health
Physics Department
Brookhaven National Laboratory
Upton, L.I., New York

Dear Dr. Auper:

I appreciate very much the opportunity to go over your
manuscript on "Radiological Monitoring for Civil Defense".

This is very interesting and well done. I am sending it
on to the people in the Federal Civil Defense Administration,
whom I thought might be interested in it.

Sincerely yours,
