## WATER ANALYSIS - BIKINI ATOLL

Reference is made to my letter dated December 2, 1969 to Jack A. Tobin concerning the radioactive analysis of Bikini Atoll water samples. The water samples were just received and Walter Payne of the USPHS, Honolulu has forwarded them to Allan Smith, USPHS, Las Vegas for the analysis. Al will be coordinating this analysis with you.

When the results of the analysis is known, please forward the information to me so that I can relay it on to the Trust Territory.
