1. Upon termination of Bikini Clean-Up Operation, RadSafe equipment presently located on Bikini Atoll is to be returned to the sources, as identified below:

a. RadSafe instruments and accessories on loan from Field Command, DASA (See Incl 1): Pack and ship to Commander, Field Command, DASA, Sandia Base, ATTN: FCTG-10.

b. Film badge holders on loan from the Naval Medical Department, Pearl Harbor Shipyard: Deliver to Mr. Norman Shimoda, Building 213, Pearl Harbor Naval Shipyard, phone 28282.

c. Dosimeter charger, Bendix, on loan from AEC (H & N) from Damon Tract Readiness Equipment: Deliver to Mr. John Russell, Holmes and Narver, 531 Ohohia Street, Honolulu (for return to storage at Damon Tract, Building 37).

2. Currently Maj Wickstrom, the Radiological Safety Staff Officer, JTF-8, has hand receipted from Field Command for all equipment listed in Incl 1 and from AEC (H & N) for the item in 1c above. In addition, 100 dosimeters were on the same hand receipt from AEC (H & N) (See Incl 2), but it is understood they have previously been returned.

3. The original of Incl 2 should be returned to Maj Wickstrom as soon as it can be cleared with Mr. Russell in Honolulu. Clearing of the Field Command hand receipts will be accomplished following receipt of equipment shipped from Bikini.
