Shields Warren, M. D., Director, Division
of Biology and Medicine, Washington
HOSPITAL AT BROOKHAVEN NATIONAL LABORATORY

R

Pursuant to conversations which were held in this office with
Dr. L. J. Haworth and Dr. Donald Van Slyke, this is to authorize
the activation for patients of the hospital at the Brookhaven
National Laboratory. This is to include the operating policy
for the hospital as defined in Dr. Haworth's proposal dated
October 7, 1948, as well as the administration of free patients
under the cancer research program.
