~~SECURITY INFORMATION~~

TO: David L. Narver, Jr., JOB: 884 o/s 6973

FROM: H. L. Dietze RE: Tent Facilities - Admin. Compound, Elmer.

DATE: 24 October 1953

405827

Reference: DWG. 3328-EE-6

R

In order to avoid removing poles and guy anchors which have been located from an earlier revision of this drawing, and because the User representatives have authorized it, tent spaces 14 and 15 have been relocated as shown on Misc. DWG. 139 (three prints of which are herewith transmitted).

Please send us copies of revised Drawing 3328-EE-6.

H. L. Dietze,
Resident Engineer.
