Subject: Location of Station 661-Elmer

Dear Sir:

Reference J-6 letter J-19671 dated August 28, 1953.

In order to allow the 100-foot radius of clearing which is called for on our drawing 226-EE-17, Station 661-Elmer has been moved to the following location:

N 49,897.32 E 132,575.76

This is in accord with the referenced letter which permits field location of the station.

Very truly yours,
HOLMES & HARVER, INC.
