gmd

The following is quoted from LASE letter J-19761 dated August 31, 1953 for your action:

"It is requested that the CAMCO facilities within the OMR Area be placed in the condition described by the appropriate IVY "as-built" drawings of Buildings 3408a, 341, OMR Communications System and OMR Power Distribution System prior to the arrival of the first RTD at the jobsite on 8 October 1953.

This will require removal of the material stored in Building 341 at the close of IVY."
