David L. Narver, Jr. Additions to Buildings 113 and 119

August 5, 1953

DN gnt

Reference Mr. P. W. Spain's letter PG-1-2751 dated July 23, 1953 to Mr. Thomas A. Hardison.

As per agreement with Mr. Coray and Mr. Carl, the following is interpreted that action should be taken by Holmes & Narver, and it is requested that this action be taken by the jobsite:

Gen. Elmer

"--

A sketch showing the addition to Building 113 is being prepared in the Holmes & Narver office and will be forwarded soon. It is believed that the 12-foot extension will be on the westerly end of the building; in addition, there will be some plumbing modifications."
