Subject: Gantry Crane for Building 419 - Elmer

Dear Sir:

Attached is a print of SK-404 which indicates the area to be served by the gantry hook.

In that we anticipate a long-delivery time for this crane, we would appreciate prompt approval or comments to SK-404, as well as our crane specification 884-N-5 which was previously sent you. SK-404 supersedes specification 884-N-5 with regard to dimensions.

Very truly yours,

HOLMES & HARVER, INC.
