Assignment of New Contract Item Numbers

Dear Sir:

In accordance with established procedures, and in order that costs may be collected in accordance with present planning, we have found it necessary to issue the following additional contract item numbers, which are to be included in a subsequent modification to Contract No. AT-(29-2)-20. These new contract item numbers are as follows:

A-70 - Radio Communications System - All Sites

This contract item number has been established at this time to accommodate the radio communications system for Bikini Atoll as outlined on Drawings 3376-Q-7 and 3377-Q-7, and covers generally portable and mobile transmitter and receiver sets, small engine generators, antennae, walkie-talkie units, etc. This contract item number has been identified to all sites in event a similar installation will be required at Eniwetok Atoll.

A-71 - Biological Laboratory - Building 218 - Site Elmer

This structure is to be designed and constructed in accordance with the requirements of Dr. Karl M. Wilbur, and is to be a reimbursable item under Contract No. AT-(29-2)-20.
