Subject: Change in Contract Item Numbers

Dear Sir:

A recent review of the Contract Items which are to be included in the Fiscal Year 1954 Construction Program indicates the following changes in description and number assignment should be made:

- A. We are advised by your Resident Engineer, Mr. Wynkoop, that the Communication and Fuel Building in the Camp Area, Site Two will not be constructed, therefore, the Contract Item A-11 will be considered as vacant.
- B. Contract Item A-21 which formerly was described as Machine Shop (Elmer). This Machine Shop will not be constructed during Fiscal Year 1954, therefore, Contract Item A-21 should be corrected to read, "Addition to Sheet Metal Shop (Elmer)." **COPY**
- C. Contract Item A-57, originally described as Replacing Fuel Lines (Elmer) will not be constructed during Fiscal Year 1954. Contract Item A-57 should be corrected to read "Temporary Camp Facilities (Nan)."
- D. Contract Item A-63, originally described as Recreational Facilities and Lobby Shop (Elmer). This construction will not take place during Fiscal Year 1954. Contract Item A-63 should be corrected to read "Temporary Camp Facilities (Nan)."
