Subject: DECONTAMINATION OF AN AREA ON SITE JAMES

Gentlemen:

It is requested that you comply with letter J-17926, dated May 7, 1953, subject as above, from H. H. Campbell, Los Alamos Scientific Laboratory, with an exception to the second paragraph. It is suggested that you strive for a reading of 5 mR/hr. instead of 10 mR/hr. in this area.

A copy of the referenced letter has been mailed to you from Los Alamos.

Very truly yours,

P. W. Spain, Field Manager
Aniwetok Field Office
