MEMORANDUM FOR THE DIRECTOR, AEC
RE: [REDACTED]

**SUBJECT: SUPPORT FOR INVESTIGATIVE TECHNIQUES, BIRTH
TRIAL AND CASE**

Outline:

At the request of the Field Director, Berkeley Field Office,
Mr. [REDACTED] of the Health Division, Los Alamos Scientific
Laboratory, is now at this area to make a detailed survey
of the above mentioned plant and to offer suggestions and
recommendations pertaining to the decontamination of the
above location.

The Allen Jones of the AEC will act as liaison officer for
the AEC.

It is requested your assistance in providing the necessary
information, etc., as may be required by the AEC during
the course of the investigation.

As agreed during our discussion, all charges pertaining to
to be charged to Job 5.
