DATE: 19 September 1953

Dietze

We are transmitting herewith for your information two prints of drawing 6232-NA-3, marked print #1 and #2. Print #1 was obtained from the original transparency received from the Home Office, while print #2 was made from a transparency revised to show the changes that were made. Print that I hand carried to the Field.

It is requested that revised transparency be issued to the Field.

H. L. Dietze
District Engineer
