MEMORANDUM TO GOVERNOR ADAMS

Last Saturday I discussed with you the necessity for the Governors, State Directors of C. D. C. and the public generally to be advised that the Civil Defense Administration is fully informed about all pertinent information national security and defense.

X.O.F. 193

Attached is a memorandum to the staff pointing out the importance of this information.

[Handwritten signature]
U.S. DEPARTMENT OF DEFENSE

The administrator can't radiate the confidence necessary to effectively lead unless he is fully informed.
