(173rd AEC Meeting, 5-12-48)
AEC 94 - Quarterly Report to the Joint Committee

The General Manager submitted a report of progress on the Commission's activities during the first quarter of the calendar year 1948 (AEC 94). Dr. Bacher suggested that the section on

319.1(7-23)

raw materials be revised to state the percentage of the raw materials used by the Commission coming from the Colorado area.

After discussion, the Commission:

- a. DIRECTED that the section on raw materials be revised as suggested by Dr. Bacher;
- b. APPROVED AEC 94, as revised in accordance with a. above for transmittal to the Joint Committee, with the understanding that minor textual changes would be made at the time of final reproduction;
- c. APPROVED AEC 94/1, a draft letter of transmittal to the Chairman of the Joint Committee and a draft foreword to the Quarterly Progress Report.
