

THE DEPUTY SECRETARY OF DEFENSE  
WASHINGTON 25, D. C.

Honorable Gordon Dean  
Chairman  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Dear Gordon:

Thanks for your note of the 26th following up our discussion of last week.

I'm inclined to agree with the feeling on the part of the Commissioners as to the method of issuance but I think the most important phase is to develop the proper statement. We are continuing to work on that and hope that we can perhaps get together again to match our efforts with yours.

Best regards.

Sincerely,
