Temporary Building U
Washington 25, D. C.

Subject: L. Mendel Rivers, MAZ-33194

Dear Major Coffield:

Reference is made to your memorandum dated October 30, 1952, file AG 371 in which you request that the clearance for Congressman L. Mendel Rivers be reinstated.

On November 6, 1952, the Commission approved reinstatement of clearance for Congressman Rivers for the access to Restricted Data that he will require in his capacity as an Official Observer of Operation IVY.

It is requested that, when Congressman Rivers no longer needs his clearance for the purpose mentioned above, you notify this office accordingly so that we may properly document our files.

Very truly yours,
