ADVANCE NOTIFICATION TO THE U.K. AND CANADA
OF U.S. ATOMIC TESTS

SYMBOL: GMS:CAP

1. For purposes of record, at Meeting 770 on October 23, 1952 the
Commission:

AGREED that the U.K. and Canada should be advised that the
IVY Test is planned for the early part of November.

2. As this action was implemented by your memorandum of October 23
to Mr. Gordon Arneson (AEC 483/26) further action is not required.
