4. Attendance of Senator Magnuson as Official Observer at GREENHOUSE

Mr. Dean reported that Senator Warren Magnuson wished to attend Operation GREENHOUSE as an official observer while returning from Japan. Mr. Dean said that he had advised Senator McMahon of the plans for attendance at Operations GREENHOUSE by members of the Senate and House of Representatives other than the Joint Committee, and had pointed out to Senator McMahon the question of access to restricted data by members of Congress raised by these trips. After discussion the Commission:

AGREED that Senator Warren Magnuson would have access to the restricted data required in the capacity of official observer at Operation GREENHOUSE.
